I. **Transportation**

Transportation will not be provided by HCPSS and parents will agree to provide transportation unless transportation is included in a student's IEP or 504 plan.

Interscholastic Athletics Eligibility

Students reassigned under approved categories (Relocation, Buy/Build/Lease, Other, and Board Approved Special Exceptions) are eligible to participate in interscholastic athletics. Student eligibility for participation in extracurricular activities is subject to Policy 9070 Academic Eligibility for High School Extracurricular Activities.

III. School Level

Reassignment approval is through current school level (elementary, middle and high) only. A student who is reassigned to a school need not reapply for reassignment for that same school on a yearly basis unless indicated. However, reassignment decisions will be subject to annual review if conditions of reassignment are not met.

IV. Behavior

A student who is reassigned at the request of parents, and who does not meet expectations described in the HCPSS Student Code of Conduct (including, but not limited to attending regularly and on time, showing academic commitment, and following behavioral expectations), may be returned to the student's designated school at any time during the school year. Such decision is made by the current principal after due consideration and proper notification to the student, parents, and the principal of the designated school.
