**Walkers** - door to CES near the portables

**RHHS Side** - K, 1st, 4th, & 5th grade students; picking up or dropping off here means you enter the loop through River Hill's drive and come around to CES. This is near the portables.

**Staff Parking Lot Side** - 2nd & 3rd grade students (cemetery side)

Note: If you have 2 students attending CES in different grades, your drop off/pick up location will be your **youngest** child's designated area.
