Walker & Car Rider Locations

Walkers - door to CES near the portables

RHHS Side - K, 1st and 5th grade students; picking up or dropping off here means you enter the loop through River Hill's drive and come around to CES. This is near the portables.

Staff Parking Lot Side - 2nd, 3rd, and 4th grade students (cemetery side)

If you have 2 students attending CES in different grades, your drop off/pick up location will be your **youngest** child's designated area.
