Front Office

Do you need to report your child's absence? Clarksville Elementary has an email address dedicated to reporting your student's absences. If your child will miss class for any reason, please use CESAbsence@hcpss.org to inform us. This mailbox will be

monitored by front office staff so please include the following information:

This is a May of many thanks! We want to give a huge round of gratitude to our entire CES parent community for their generosity and appreciation shown during our Teacher Appreciation Week. Our CES Staff are enjoying all the special treats, words of thanks and support, the lovely gift of lunch, desserts, and breakfast compliments of CES PTA, as well as many other surprises that our CES students and families gave to us. You all are

the best!

As this school year draws to a close, we are starting to turn our attention on the process of creating class groupings for next school year. We use a variety of information to create classes. If you would like to share information about your child, we encourage you to complete the CES Student Consideration Form, which was sent in an ESchool News, and return it either electronically by June 17th. It is also provided for your convenience on our CES website.

Our goal is to create balanced, heterogeneous classes in which children can be happy and productive. We seek to achieve balance in terms of gender, level of academic achievement, diverse racial/ethnic groups, leaders and followers, different paces of learners, variety of learning skills, variety of behavioral concerns, and many other special needs. Due to potential changes in staffing throughout the summer, we request that you do not ask for a specific teacher

We want to give a big thank you to all of our CES PTA parents who organized and coordinated our annual Spring Fling. It was a blast for the entire CES school community! Food, games, and activities for all! We also want to thank our CES staff for their contribution to the raffle and their time and support during the Spring Fling. We couldn't do it without you! It was so great to see everyone in person at this fun event again! Can't wait until next year!

As you know, spring is always a busy time for our students, staff, and families. Please be sure to check your child's Canvas page as well as read and review our ESchool News updates.

Enjoy the spring air! Summer is around the corner!

Respectfully,

Ms. Malcotti
