From the Principal's Den.....

Dear Clarksville Families,

Spring has arrived according to the calendar...I think our weather is trying to decide whether it is there yet or not.

The month of March has been a busy one full of many fun-filled events. We would like to thank everyone who turned out to support our school for our annual McDonald's CES Family Night. It was great to see so many students and parents sharing a meal and hanging out with our very own Cougar. Thank you so much for your support!

Also, this past month we held an informative Kindergarten Preview Night for our future little Cougars and their families. We had a terrific turnout and want to thank our PTA and our kindergarten staff for their time and efforts in making this evening such a great success.

We also had our second cultural arts performance this past month for our CES students. Dr. Recess came to our school and worked with our students introducing exciting new games to play and engage in during recess time. The students had a blast!

We also had our annual Career Day this past month. We are very thankful to all CES staff, parents, and families that made this event such a wonderful experience for our students. Your time and dedication to our students and their future are always appreciated!

As we move into Quarter 4, our thoughts often go to planning for the upcoming year. An important component of our planning centers on staffing allocations. Next year we will have three sections of each grade-level and three ALS classrooms (Academic Life Skills).

As we go into the next month, it is important for us to know if your child is returning to Clarksville next year so we can provide the appropriate number of staff. Please be sure to contact our CES office staff to complete any necessary paperwork.

Enjoy the beautiful sights and sounds of spring! As always, thank you for your continued support of our students!

Best Regards,

Ms. Malcotti

On behalf of the RHHS PTSA, they have two wonderful events that are coming up at RHHS. Our entire community can benefit and RHHS would like to invite our school community. They have included the website links for both events.

[RHHS Hill Fest](#) will highlight community, cultures, clubs, and food!

The [College Panel Discussion](#) will address how families can begin to understand the college search and college application process. There is a right fit for everyone.
