JUMP ROPE FOR HEART! – The Jump Rope For Heart was a fantastic success.
The money raised will support cardiovascular research and education that saves lives.

If you have not yet turned in the collection envelope, please do so as soon as possible.

Thank you for supporting this very worthwhile event.

Joseph Decker & Laurie Goodwin

CAREER DAY

The STEM committee is putting on Clarksville's first Career Day on **Friday March 13th** during the school day between 9:45 am and 3:45 pm.

We are looking for volunteers to come and share their careers with the students in grades K-5. Volunteers will come and give engaging, hands on, 15-20 minute presentations to classes. We ask that your presentation have a hands-on element or activity for them so that students can experience your career. You can do a simple activity with students, do a demonstration, or bring in items for students to explore.

Be creative! Once the STEM committee gets all of our volunteers we will be creating a schedule so that each classroom sees a variety of careers. We cannot guarantee that you will be presenting for your child's class.

[CLICK HERE](#) to sign up.

HELP WANTED FOR INTERNATIONAL NIGHT

March 20th from 6:30pm-8:30pm

One of the most popular events of the year, **International Night 2015** is almost here. Come and learn about different countries from around the globe!! Grab your passport and get ready to travel around the world with us! An evening full of entertainment and education, where community members will be sharing a wide range of cultural traditions! Taste delicious food from different countries!

These countries need your support and help. Please step forward and be a part of it. Email the country representative if you think you can help in any way.
